Pastor's Desk

In today's first reading, Amos is sent to preach to the Hebrew people. He is a prophet like Ezekiel. Amos is not accepted. Just like Ezekiel wasn't accepted last week. How hard of heart are the people in the world. Being God's messenger is not easy. But the message still must go out.

In today's gospel Jesus chooses 12 and sends them out 2 x 2 and they are to preach, heal, and cast out demons. Many people will not accept them. Jesus tells them that they are to shake the dust from their feet and move on to the next town if they are not accepted. Not all prophets and disciples of Christ are accepted. This is very clear in our world today. God's message does not have to be politically correct. God does not need a majority of people to accept his word.

As I said last week, God can wear us out. He has all the time in the world. Our time as humans is limited. God brings life and love to the world. That's why God keeps sending His messengers because He loves us. God is always waiting for a conversion of heart. He does not want one person to be lost. Not one. Jesus wants people to have life and have it in abundance. Jesus knows that He can only bring life. His message can bring life. This means we are totally dependent upon Him. Without Him, we can do nothing.

God bless you all, Fr. Tony Fortman, C.P.P.S.

Happy Anniversary Fr. Tony!

Please wish Fr. Tony well today. Sunday, July 14, is the anniversary of his ordination to the priesthood.

About the USCMA:

USCMA began as the "Mission Secretariat" in 1949. It was founded by the US Bishops and 32 mission sending religious communities. After Vatican II, it became the United States Catholic Mission Council. In 1980, the bishop's conference reorganized and withdrew from the United States Catholic Mission Council. In 1981, the "council" became an Association. Today, it is listed as a "national organization" in the Official Catholic Directory under the United States Conference of Catholic Bishops. Today, USCMA is a community of faith leaders engaged in networking, formation, and advocacy for God's mission. Russ, Bruce, Therese, Joanne, Bernie, Michael, Sue, Neal are missionaries. Some are priests, some religious, some lay. They are sent by the Church to bring Christ to the world. Mission leaders called them forth, accompanied them through their vocational discernment and missionary formation. Your generosity keeps those leaders connected, learning from each other, and collaborating on God's mission – to save the world one person at a time. To learn more, visit our website –

www.uscatholicmission.org.

USCMA Sponsored Podcast

USCMA is a community of leaders engaged in God's mission. It sponsors Go Forth... - a weekly podcast, and scripture reflection, so we hear and see the promise and power of God's mission from people he sent "to the ends of the earth." Go Forth ... is available where you get podcasts or visit

Notes from

Emmanuel's Choir Loft

From Music Director Michelle Carner

Bianco da Siena (c. 1350-1434) was an Italian poet and wool worker who wrote poems called laudi spirituali. One of these, "Discendi, amor santo," forms the text for our entrance hymn today, "Come Down, O Love Divine." The tune, Down Ampney (or, as the choir has fondly dubbed it, "Downton Abbey") was composed by the great Ralph Vaughan Williams (1872-1958) and is named after his birthplace. This hymn exhorts the Holy Spirit to come upon us and purify our lives of earthly passions and pride, increasing our love for God. (Source: hymnary.org)

The Aborted Child

and Redemptive Love

Resources available at the Pro-Life

Pamphlet Rack at Emmanuel

In the pamphlet "An Imaginary Confession" Fr. Antoninus Wall reflects on the relationship between the love of God for an aborted child and the love of the child's repentant mother for her child. The mother's love for her child is painful, but Fr. Wall explains how this can be a source of sanctification for her. For further reflections, please take a copy of the pamphlet from the rack in the back of Emmanuel church.

Precious Blood, St. Paul and St. Rita

Thank You from Debi Hamby

Dear Friends,
As I prepare to retire, I want to express my heartfelt gratitude to each and every one of you. Over the past three decades, your friendship, support, and kindness

have meant the world to me, and I want you to know how much you all mean to me.

I began my journey here in 1990 when I was 30 years old, juggling work and family with two young children aged 4 and 2. Throughout these years, I have had the honor of working with 12 priests and 2 Parish Administrators, forming relationships that I will cherish forever. My children grew up within this wonderful community, attending St. Rita Child Care, St. Rita School, and CJ, and I am grateful for the nurturing environment they experienced. I have been blessed to meet and work with so many incredible people. The changes and memories we've shared are countless, and I will carry them with me always.

As I step into this new chapter of my life, my plans include traveling to parts of the United States I have yet to see and spending more time with my husband and children, without the need to wake up to an alarm clock.

From the bottom of my heart, thank you for the beautiful memories and for being a part of my journey. I will miss you all but look forward to this new adventure with fondness and excitement.

With all my love and gratitude, Debi Hamby

Love Beyond Measure Natural Family Planning Week

July 21-27

Supporting God's gifts of love and life in marriageThe USCCB has set July 21-27 as Natural Family Planning (NFP) week. NFP is an invitation into communion with God's creativity. God does not persistently produce, his creation ebbs and flows like the cycle of the moon, changing of the seasons, or the journey from life into death. In "The Language of Your Body" Christistina Valenzuela writes "The life of the Church [...] is expressed through her cyclicity, much like the biological woman whose menstrual cycles impact so much of our physical, emotional, and even spiritual lives. When we observe the liturgical life of the Church, we see how layered this cyclical life is." NFP gives insight to the cyclical nature of women, allowing us to monitor health, avoid or achieve pregnancy, and gain deeper understanding into God's design for women.

The world sells us "solutions" to fertility such as birth control (BC) and artificial reproductive technology (ART). Besides the ethical issues with BC & ART, both are riddled with long term side effects. BC is often prescribed to "regulate" when it really shuts down functions without addressing actual underlying issues and long term risks like infertility. ART is sold as the solution to infertility but the success rates vary, and at the highest are around 50% for a single cycle. However NaProTechnology (NPT), which utilizes NFP, has a success rate of up to 80% as an initial treatment for infertility. Not only does NFP respect God's design for fertility, it is often more effective than the "medical" alternative. As we enter NFP week, consider this years theme of "Love Beyond Measure" an invitation on how NFP provides an opportunity to encounter God's immeasurable love in his design for the cyclical nature of women.

July 14—Week 17

Jesus first heard the sound of his mother's heartbeat today. Its steady drumming is a comfort to Him. He also saw his first flickers of brightness when his mother stood in the sunshine. The Light of the world has seen his first rays of sunlight.

Jesus of the womb,
Hear our prayers!

Dayton Catholic Women's Club Information Session
