Respect for health - 2288 - 2291

## Rights and Responsibilities

The Catholic tradition teaches that human dignity can be protected and a healthy community can be achieved only if human rights are protected and responsibilities are met. Therefore, every person has a fundamental right to life and a right to those things required for human decency. Corresponding to these rights are duties and responsibilities--to one another, to our families, and to the larger society.

### Part Three

Life in Christ

### Section Two

The Ten Commandments

### Chapter Two

"You shall love your neighbor as yourself"

### ARTICLE 5

THE FIFTH COMMANDMENT

### Respect for Health

2288 "Life and physical health are precious gifts entrusted to us by God. We must take reasonable care of them, taking into account the needs of others and the common good.

*Concern for the health of its citizens requires that society help in the attainment of living-conditions that allow them to grow and reach maturity: food and clothing, housing, health care, basic education, employment, and social assistance."*

**Advocacy** is a way to encourage law makers to pass legislation that can change lives so God's kingdom may come on earth as it is in heaven.

## ACTION

The Catholic Conference of Ohio issued a letter to all Ohio House members regarding the proposed state budget under House Bill 110. The Conference is supporting features in the current version and recommending areas for improvement. The letter called attention to the Church's strong support for programs that assist people who are poor and vulnerable, and the Church's strong support for programs that help Catholic school students. Go to their website for more information and look for HB 110 on their Home or Action Alerts page. Contact your Ohio State Representative to express your support or concerns of HB 110.

## HELP BUILD STRENGTH, STABILITY AND SELF-RELIANCE THROUGH SHELTER

Your donation will help families in need of a decent place to build long-term financial security. With an affordable, stable home, families have more to spend on food, medicine, child care, education and other essentials.

**Catch the Building Spirit**, is a partnership of Catholic and Presbyterian churches working in cooperation with Habitat for Humanity of Greater Dayton to fund and build a house for a partnering family.

Community support by financial, physical labor and prayers are needed to bring the house to completion. The house is dedicated to a family. Then the structure becomes a home.

## Final Thoughts

As in years past, Holy Trinity will host a plank signing for the 2021 home build by Catch the Building Spirit after both Masses on Mother's Day, Sunday, May 9. Donations will also be accepted for this year's home build.
